STATEMENT REGARDING INVENTOR NAME ON DECLARATION

Sir:

An Inventors' Declaration is submitted herewith in response to the Notification of Missing Requirements dated August 7, 2006 in the above-identified application.

The Statement is being submitted in order to clarify a discrepancy between one of the inventors as identified on the corresponding PCT application and on the enclosed Inventors' Declaration. Specifically, the inventor Edward John Anthony was identified in the corresponding PCT application as "E.J. Anthony". Since 37 CFR 1.63 requires that an inventor be identified by the family name and at least one given name, the Inventors' Declaration submitted herewith identifies Mr. Anthony by his full name, Edward John Anthony.

Respectfully submitted,
